

ACNEBAR Goat Milk Soap

Price: \$6.00

Short Description

This cleansing soap is specifically created for face and body to help with Acne and blemishes.

Description

This cleansing soap is specifically created for face and body to help with Acne and blemishes. Goat Milk feeds and nourishes the skin and promotes natural exfoliation to remove dead skin cells, while Tea Tree and Rosemary Oils help to deep clean. These botanicals are reported to offer antibacterial properties. Activated charcoal is used to absorb toxins.
