Description

This lovely bar combines the essential oils of Lemongrass, Lemon oil, Lemon Balm and we add our own Naturally grown and dried Lemon Balm. Lemon balm is packed with healing compounds that generate the essential oil's myriad benefits. In addition to antioxidants that help fight cell damage caused by free radicals from pollution, cigarette smoke, and other toxins, lemon balm extracts also contain flavonoids that act as antioxidants, as well as tannins. Our customers say that they enjoy this soap for its aromatherapy benefits of feelings of wellbeing and peace. Replaces our Lemon Verbena
